

# VIP - continued

## ON SCHEDULE

### Software Value Added Reseller (SVAR)

- Software Value Added Reseller is the single source for all software, software media and software management services . Has been a model VIP contract for years and continues to be successful.
- Large-volume contract – \$37.2 million spend in FY 2004. At same volume, the contract will reduce software spend to \$34.8 million on FY 2006 – with the resulting savings realized at the agency level.
- VIP savings over next four (4) years is **\$9.5 million**
- Contract is being awarded to the incumbent contractor, **ASAP Software Express, Inc.**
  - No transition issues.
  - Maintains existing customer relationships.
- Strong online ordering application. Solid license tracking, reporting, security and software librarian service.
